NOTE FROM PASTORAL CARE

Your pastoral care team at Symons Valley wants to do everything we can to stay in touch with you during this time of uncertainty and challenge.

We can all do our part in caring for one another. Make sure you stay in touch with the Symons Valley folks who are in your circle of contact.

Additionally, please let Stephen, Vicki or Donna know if you are house-bound or in self-isolation and would like to talk to someone or if you are aware of someone requiring support.

We'd love to give you a call to check-in with you if you would appreciate a phone visit. If you are interested in being part of our phoning group please drop me a note at ddwill25@gmail.com.

Let's make sure that we all still feel the connection to this church community despite the fact we cannot gather in one space at this time.

Thank you and take care....

Donna Williams
Chair, Pastoral Care

VIRTUAL COFFEE TALK INFO & LINK

Stephen and Vicki would like to invite you to join us for a virtual Coffee Talk.

Go to the link below and sign up for a gathering and you will receive a Zoom Call link to join the conversation for your assigned time.

Please sign up for only one Coffee Talk to allow others to sign up as well.

If there are open slots for next week, another email will go out Friday and you can sign up again. If this proves to be a popular way of gathering, we will create more opportunities to 'meet for coffee'.

To sign up for Virtual Coffee Talk, please CLICK [HERE](#).

PHOTOS

Vicki & Stephen miss seeing your bright and shining faces! Please send Essie a photo of yourself and we will begin to include images of our 'gathered' congregation in our Livestream worship services next week.

The higher quality the better as they will be printed on Letter-sized paper. Please send your photos to essie@symonvalleyuc.com

INVITE TO OFFERTORY

During these times of social distancing, we have been working here at Symons Valley United Church to create opportunities for folks to connect with one another.

Please keep an eye on your inbox for emails from Essie with invitations to join different events. Information and invites will also be posted on our Facebook page and our website.

Coffee Talks are taking place via Zoom conference calls. You do not need a computer to participate in the conversation. Sign up for a Talk through the link provided by Essie and on Facebook and you will receive the call information.

Vicki will be continuing the Bible study of reading through the Book of Matthew via Zoom. Previous attendance is not required. Details of date and time will be available later this week.

Please continue to reach out to one another and check in with each other. Remember where two or three are gathered, so too is Jesus. This applies to phone calls and Zoom.

There are multiple ways to give your offering to the church at this time – by cheque mailed to or dropped off at the office, through Canada Helps or Tithely on our website or by emailing Essie and signing up for monthly donations – called PAR – pre-authorized remittance. Here at Symons Valley we strive to be the hands and feet of Christ in a world needing God’s love. Please give your offerings this morning knowing our ministries are for all people who need encouragement, love and compassion.
